HI SPEC CREEP GRANULES

Hi Spec Creep Granules are a highly palatable and digestible creep feed for pigs. Early weight gain on piglets is extremely beneficial – subsequent growth is directly proportional to their early performance. Hi Spec Creep Granules taste great and contains very high protein and energy levels.

Feeding Instructions:

To maximize weight gain from creep feeding, it is essential that you start feeding the creep granules at one week of age (little and often). Feed 3 – 4 times a day. Sow feed should not be available to piglets. Continue to feed the creep feed for 10 days post weaning.

Ingredients:

Wheat 12%, Choc Biscuit Meal, Whey Powder, Soya 48% Hipro, Fishmeal, Choc Milk Powder, Meatmeal 50-10, Tallow, Bloodmeal 85%, Zinc Oxide, HP Weaner Premix, Lysine-L, Salt, Tetracid, Tyloxid 50gm/t, Threonine, Methionine, Rovabio Premix, Tryptophan, Sucram.

This product contains Restricted Animal Material – **DO NOT FEED TO CATTLE, SHEEP, GOATS, DEER OR ANY OTHER RUMINANTS.**

Withholding Period: Nil

Analyses.
